

EVIDENCE TEST

Test: _____

Prospective Team: _____

Date: _____

Evaluator: _____

Location: _____

Outcome: Pass / Fail / Null

The test will take place in an area that is relatively unknown to the prospective handler. The owner of the scent articles will be unfamiliar to the dog. The prospective handler will be given a scent article. Refer to the appropriate section of the Standards for the test criteria. A copy of this test sheet will be filled out for all tests given. The lead evaluator will provide a copy to the vice-president and to the prospective handler.

A = Exceeds Minimum Expectation B = Meets Minimum Expectation
C = Below Minimum Expectation D = Not Applicable
