
Front Range Rescue Dogs Inc. Membership Application

Front Range Rescue Dogs is a volunteer not for profit organization dedicated to producing and fielding quality, well trained search teams. Our volunteers receive a great deal of satisfaction in working with our dogs and each other, but our training requires a substantial amount of time, effort, and money. It requires a large degree of **personal commitment**. We would like to invite you to join us in providing canine search and rescue in this area. Our primary focus is in developing dog/handler teams, but we always have a need for both field and non-field support members. Members seeking Operational status can submit an application for the Candidate program and be voted on at a quarterly meeting (February, May, August, November).
